

BERRIEN COUNTY CHIEFS ASSOCIATION - JUNE 15, 2016

CALL TO ORDER: 18:37

TRESURERS REPORT: Passed as presented

MINUTES: Approved

COMMUNICATION: None

Sheriff: Asks that we contact our State Rep and Senators for support of House Bill 5608 & Senate Bill 0218 - Savior benefits for Public Safety Families

911: Process of setting up last carrier (Verizon) to be able to accept text.
MFR's Old priority 1's before the change are now marked in the system so departments with MFR's will be dispatched to those calls. It will be as a priority two dispatch. R. Knuth said Bridgman will only be dispatched to priority 1's. Dave will talk to Dr. Byers
Question came up as to whether priority III's do exist. No clear answer.
For active violence incidents- Dave needs to know if individual F.D.'s have plans.

DNR None

Funeral Kit At Berrien Springs

Emergency Mgt. PGA went well. Attention now at Silver Beach. - D. Albers

Medic 1 & Smacas not present

MedFlight Ken reported that unit will not come closer than 1 mile to a Active violence incident unless it is 100%

BCFFA Fair: has 10,000 flyers done for distro at gates
Need ffr's to sign up to work Public Education Building

Trainings Driver Training Train the Trainer class will be held August 19th (Fri night) and August 20 at Berrien Springs. If VFIS member free otherwise \$125.00. This is classroom part. Can then teach to department if Instructor 1. Save time and cost of scheduling outside and instructor cost.
Instructor 1 class will be offered in January of 2017.

MABAS Dan Jones said if taking agreement to County to be stamped, take all the copies you need with you. County cost is \$1.00 per page.
