

# Baroda Fire Department

The **Baroda Fire Department** is going to be hosting the following emergency preparedness training course that is Texas A & M Engineering certified. Each participant that attends and completes the course will be issued a certificate from the TEEX. This course will take place at the Baroda Fire Station – 9081 First Street, Baroda, MI 49101.

## Crisis Leadership & Decision Making

This seminar uses one of four Harvard University, Kennedy School of Government case studies to examine the dynamics of crisis leadership and decision making from an elected or senior official's perspective. The four hour seminar uses the case study to frame the discussion on ways to overcome leadership challenges in planning and responding to a large scale incident. The final outcome of the seminar is the development of individual and jurisdictional action plans to guide improved preparedness and emergency response.

### Seminar Topics:

- Planning for Effective Disaster Response
- Leadership and Decision Making During a Crisis
- Crisis Communications
- Recovery
- Developing an Action Plan

This course will meet on Monday, April 30<sup>th</sup>  
from 6:00 – 10:00pm

**This course is being offered at no expense.**
