

BCFCA 7-15-15

Call to order at 8:43.

No minutes or treasure's report - Larry unable to attend.

Communications and Bills: None

DNR: not present

Medic 1: nothing to report

LEPC: no report

BCFFA: no report

Sheriff: Silver beach has been handled. Will be checking coolers next year and possible plain clothes officers (no - not sheriff in swim suit) on beach next year. Drug and Prescription Drug conference on August 28th at S. Joe High School. Gayle to put out Flyer.

Funeral Kit: getting price on gloves and now need more badge covers - Barb Stover will make.

Dispatch: Denny reported that two clocks failed on 800 system. Replaced, but presently have no spares.

Health department: open house in new building on Empire 4-6 on July 22nd.

SMACAS: Red bud is over. No more issues than normal.

Medfight: Ken still working with Dave on mobile app.

MABAS: Frank will ask Larry to resend the paper work for each member department to sign.

Moment of Silence for Skip Munson

Emergency Management: Rocky stressed need to do Special Event Plans and send to his office for review so there are no conflicts with other plans in same area. Needs to know when special events are occurring. This is any event that would be outside of what you would normally be responding to. EM can notify weather service for special attention during an event. Having plan reduces law suit liability.

Rep 101 is being offered for ALL departments. Contact Rocky.

Rocky proposed making new training listserve e-mail list. Suggested training committee and training officer from each department to be on e-mail list. This would allow info to go to all departments and possibly increase participation in training.

800 radios - when radio goes to site trunking the backup is ZONE G Event 1.

Remember: SEE SOMETHING - SAY SOMETHING. Also Trans Canada will have regional town hall table top with BTFD at Emergency Management office on August 12th at 18:00 hours. Marathon testing underground lines 7-27-15.

Dispatch has participated in 39 disaster drills from emergency management and done very well. In addition there was training on the public warning system and it's multiple sections.

Old Business: Need to move forward with upgrading all departments' templates.

New Business: none

Adjorned: 10:05

Next Meeting Special date because of Fair AUGUST 12TH AT 18:30 HOURS AT LINCOLN STATION. ONE WEEK EARLIER THAN NORMAL!
