PERFORMANCE UNDER PRESSURE: BUILDING A REALITY-BASED TRAINING PROGRAM INSTRUCTOR DEVELOPMENT WORKSHOP

FRIDAY SEPT. 8TH, 2023 - 0830-1700hrs
Todd Center - Lake Michigan College

Enhancing human performance is being used in professional sports and the United States Olympic teams to get an edge on the competition. Firefighters are tactical athletes who need tools/skills to accomplish high-speed problem-solving under pressure. This open and honest lecture provides the attendees with information on how their bodies and minds react when the fear response is activated, how to mindfully react to this response, and reach optimal human performance. The instructors will provide insight into Mindfulness and "Psychological Flexibility" to guide us in becoming higher performers on the fireground. Using our Reality Based Training model with mental skills coaching techniques, attendees will walk away with a roadmap on how to train and develop skills and abilities to perform under pressure.

Rob Blasetti is the Operations & Training Chief for the Englewood, FL Fire Department. Prior, he was a Lieutenant assigned to the Field Training Section of the Fire Academy at a large metro fire department in Northern Virginia and a member of the VA-TF1/USA-1 Urban Search and Rescue Team. Before moving to Virginia, Rob worked for the City of Cape Coral Fire Department in Florida, where he held the Battalion Chief of Operations position with extra Special Operations responsibilities. Since 2006, Rob has been sharing with firefighters around the country the effects environmental and mechanical stress has on decision-making on the fire ground and how to build training programs to succeed on the fireground. Rob has taught at numerous international, national, and regional conferences, including FDIC. Blasetti is a presenter for the National Olympic Committee for sports psychology and Athena Institute for Education and Research Conference on Psychology.

Quarter Auction

SUNDAY

October 15, 2023

Preview: 1:30 – 2:00 pm

Auction Starts: 2:00 pm

**North Berrien Fire Rescue
Station 1
170 Washington
Coloma MI 49038**

Tickets \$5.00

Available in advance or at the door
ALL IN PADDLE price to be determined

Here's how it works: Upon checking in, you will receive a numbered paddle. All the participating vendors provide items valued from \$10-\$100 for auction. When an item comes up for bid that you are interested in, you place the appropriate number of quarters in the basket in the middle of your table and raise your paddle.

**\$10 - \$24 = 1 quarter
\$25 - \$49 = 2 quarters
\$50 - \$74 = 3 quarters
\$75 - \$100 = 4 quarters**

Once the bidding has closed the auctioneer picks a random numbered ball. The individual with the matching numbered paddle that bid will win. If the matching numbered paddle did not bid say "no bid" and the auctioneer will pick another ball until there is a winner.
