2025 Winter Weather Workshop

Workshop Date:	OCT 17, 2025	Times (Eastern):	09:00 to 14:00
Registration Deadline:	OCT 03, 2025	Costs:	\$0.00
Location:	Berrien County Conference Room (Health Dept Campus) 2149 E Napier Ave, Benton Harbor, Michigan (Google Map Link)		
Description:	<p>The outcome of this workshop is to prepare for winter & get on the same page.</p> <p>The Winter Weather Workshop is scenario-based discussion designed to strengthen coordination, decision-making, and resource management during common major snow and ice events. Participants will explore operational challenges such as multi-vehicle crashes, stranded motorists, and critical power outage impacts. The workshop will provide an opportunity to practice collaboration in a cross-jurisdictional environment, while identifying strategies for communication, situational awareness, and resource allocation.</p> <p>This course follows Homeland Security Exercise and Evaluation Program (HSEEP) principles and is structured to provide both learning and practical application.</p>		
Session Details:	The workshop will be offered in two formats:		
	<u>IN-PERSON</u>	<u>VIRTUAL</u>	
	This format is preferred for all emergency responders and any EOC staff to maximize coordination among each other. Lunch will be served for registered in-person attendees.	This format is a VIEW ONLY environment. This is not preferred for 911, Police, Fire, EMS, Roads or EOC staff who should be in a participatory role. If your role is to work with first responders directly, you should choose in person.
